Hampton Park Secondary College recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. These other inappropriate behaviours will be managed in accordance with our *Student Wellbeing and Engagement Policy* and *Inclusion and Diversity policy*.

This policy applies to all school activities, including camps and excursions.

## Policy Definitions

### Bullying

In 2018 the Education Council of the Council of Australian Governments endorsed the following definition of bullying for use by all Australian schools: Bullying is an ongoing and deliberate

Respect, Learning, Working Together

misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.

Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records)

Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

Bullying has three main features:

- it involves a misuse of power in a relationship
- it is ongoing and repeated, and
- it involved behaviours that can cause harm

Bullying can be:

- direct physical bullying – e.g. hitting, tripping, and pushing or damaging property
- direct verbal bullying – e.g. name calling, insults, homophobic or racist remarks, verbal abuse
- indirect bullying – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person's social reputation or social acceptance.

Cyberbullying is direct or indirect bullying behaviours using digital technology. For example via a mobile device, computers, chat rooms, email, social media, etc. It can be verbal, written and include images, video and/or audio.

### **Other distressing and inappropriate behaviours**

Many distressing and inappropriate behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing and inappropriate behaviours should report their concerns to school staff and our school will follow the *Student Wellbeing and Engagement Policy*.

Mutual conflict involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.

Social rejection or dislike is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.

Single-episode acts of nastiness or physical aggression are not the same as bullying. However, single episodes of nastiness or physical aggression are not acceptable behaviours at our school and may have serious consequences for students engaging in this behaviour. Hampton Park Secondary College will use its *Student Wellbeing and Engagement Policy* to guide a response to single episodes of nastiness or physical aggression.

Harassment is language or actions that are demeaning, offensive or intimidating

to a person. It can take many forms, including sexual harassment and disability harassment. Further information about these two forms of harassment, including definitions, is set out in our *Inclusion and Diversity Policy*. Harassment of any kind will not be tolerated at Hampton Park Secondary College and may have serious consequences for students engaging in this behaviour. Hampton Park Secondary College will use its Student Wellbeing and Engagement Policy to guide a response to students demonstrating harassing behaviour, unless the behaviour also constitutes bullying, in which case the behaviour will be managed in accordance with this Bullying Prevention Policy.

### **Bullying Prevention**

Hampton Park Secondary College has a number of programs and strategies in place to build a positive and inclusive school culture. We strive to foster a school culture that prevents bullying behaviour by modelling and encouraging behaviour that demonstrates acceptance, kindness and respect.

Bullying prevention at Hampton Park Secondary College is proactive and is supported by research that indicates that a whole school, multifaceted approach is the most effective way to prevent and address bullying. At our school:

- we have a whole school positive behaviours framework and deliver programs around respectful relationships, that provide safety, security, and support for students and promotes positive relationships and wellbeing
- we strive to build strong partnerships between the school, families and the

broader community that means all members work together to ensure the safety of students

- teachers are encouraged to incorporate classroom management strategies that discourage bullying and promote positive behaviour
- a range of year level incursions and programs are planned for each year to raise awareness about bullying and its impacts
- in the classroom, our Respectful Relationships curriculum teaches students what constitutes bullying and how to respond to bullying behaviour assertively. This promotes resilience, assertiveness, conflict resolution and problem solving
- the Peer Support Program and Mentoring Program encourage positive relationships between students within year levels and across different year levels. We seek to empower students to be confident communicators and to resolve conflict in a non-aggressive and constructive way
- students are encouraged to look out for each other and to talk to teachers and older peers about any bullying they have experienced or witnessed
- we participate in the National Day of Action against Bullying and Violence
