Purpose

To provide parents/carers and other members of our school community with an overview of Hampton Park Secondary College's approach to fundraising.

Policy

Fundraising is an important way for our College to raise money so that it can support programs for students, improve school amenities and for out school community to raise funds for worthy charities as identified by the students.

School staff, students and members of the school community may want to undertake fundraising activities for Hampton Park Secondary College or nominated charities.

Hampton Park Secondary College encourages all members of our school community to be involved in fundraising initiatives and School Council welcomes all proposals for fundraising.

Fundraising is a function of the School Council and Council must approve all school-related fundraising events or activities on behalf of our school.

At the beginning of each school year, the School Council will approve any school-related fundraising events or activities for the upcoming year. If it is necessary during the year, the School Council may approve additional fundraising events or activities.

In deciding whether or not to approve particular fundraising events or activities, the School Council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's *Finance Manual for Victorian Government Schools*.
