

# PACIFIC COMMUNITY DAY

**NGV INTERNATIONAL**  
**180 ST KILDA RD, MELBOURNE**

**SAT 11 APR, 10AM–5PM**  
**FREE FOR ALL TO ENJOY**

Join us to celebrate the creativity and diversity of Victoria's Pasifika community with a vibrant day of festivities showcasing Pasifika art, culture and community. From free music and performances to children's activities, art-making workshops and talks led by international and local artists, community leaders and curators, there is something for everyone.

While at the NGV, you can also visit *Art of the Pacific: From the NGV Collection*, a selection of works by artists and designers from Pasifika communities worldwide. This free display features photography, printmaking, painting, sculpture, video, fashion, tapa and lei, and celebrates the strength and innovation of contemporary creative and cultural practice from the Pacific and Torres Strait Islands.

This celebration has been developed in collaboration with Pacific Island Creative Arts Australia.

We hope to see you there!
